SPRING RECRUITING – is crucial to growing your unit and making it stronger. New boys need to be introduced to the scouting program so your unit will continue to thrive. All Packs, Troops and Crews should consider and plan an open house meeting inviting new boys to join in the fun. Contact Steve with date, time and place for your open house.

CUB SCOUT TRAINING – Check the Wabash Valley District page on the www.awac.org website for a 2010 training schedule. Every Scout deserves a trained leader so make sure any new unit leaders or den leaders moving to a new rank next year get to training this Spring so they are ready to run with the program next fall.

FOS – CONGRATULATIONS AND THANK YOU Wabash Valley District is now officially over the 2010 Friends of Scouting goal!!!! A BIG Thank You to all the unit families who contributed and the community workers who spent a great deal of time contacting local businesses, your efforts are greatly appreciated.

DISTRICT PINWOOD DERBY - Congratulations to everyone who raced at the district pinewood derby on March 13. We had a big turnout this year and everyone had fun. Special Thanks go to Dean Stephens and his crew for organizing the race and the Loomis' for bringing their track to Bluffton for us to use. The race results have been posted on the Wabash Valley page of the www.awac.org website.

DISTRICT DINNER – Thank You to everyone who worked so hard to make our district awards dinner a great success. I'm not going to name names because there were so many of you that I will forget someone. I greatly appreciate all that you do for scouting in Wabash Valley District. Steve

Lincolnway District

Kosciusko & Whitley Counties

MAY CALENDAR

- 1-2 Spring Camporee, Potawatomi Wildlife Park.
- 5 Roundtable, Pierceton United Methodist Church
- 12 District Committee Mtg / District Commissioner Meeting, St. Xavier's Catholic Hall, Pierceton
- 15 Cubmobile, Warsaw

SPRING RECRUITING - A lot of great plans are underway to get more youth into the Scouting programs in Lincolnway. There have been great suggestions coming up at Roundtable about how other have had success at recruiting new youth. Several Cub Packs are looking to hold new Tiger Cub events for boys graduating Kindergarten this spring. The key is to get them to regular events in the summer to keep their interest when more regular meetings are planned for the fall. Take

advantage of the experiences offered by the District (Cubmobile, Day Camp) or the Council (TinCaps nights, Cub Resident Camp, etc.). You can also plan trips to area parks for picnics, go fishing, hiking, go on day trips, or any number of things to have a safe fun time! If you need any assistance, call your unit commissioner or Kelly Bergman, district executive, kbergman@awac.org or 260-409-1590.

READY TO RACE? - The Cubmobile is coming up fast!! This one-of-a-kind race is a must see for all Scouts! Plans to make your own Cubmobile are available on the council website. If you're interested in racing, be sure to get your registration in soon! Registration forms are available at Roundtable and on the awac.org website. Contact Kelly, district executive, kbergman@awac.org or 260-409-1590, for additional information.
