

Canoe Rental Application

Unit Number: _____ **District:** _____ **Date:** _____

The Anthony Wayne Area Council makes available canoes, paddles, life jackets and canoe trailer (1) to all qualified Scout troops and Explorer posts.

Canoes and equipment are available to other groups upon application and verification of insurance coverage and adult leader qualifications. (Anthony Wayne Area Council course, AMC course or equivalent, for class of water.)

The rental fee is \$15.00 per canoe, per day which includes paddles and life jackets. There will also be a \$50.00 rental fee for use of the trailer. A \$100.00 deposit is required for each unit of 6 canoes.

The deposit is required to cover any damage to the canoes or trailer. The Camp Ranger will make the decision on damage. The Camp Ranger will also determine how canoes leave camp (trailers being used to transport, roof racks, etc.) and if it looks like transport equipment is inadequate, Ranger will make that decision.

Submit completed application with fees to: Anthony Wayne Area Council, AT LEAST TWO WEEKS prior to trip. Scout or Explorer units must have submitted a National Tour Permit application if the trip distance is out of council area.

Date of trip _____ Route of trip, to and from, by highway

Name of adult leader (1) _____ Telephone: _____
