

A Night at The Movies

Makahiki 2022 Lip Jam

Join us in cheering on your unit as they perform songs from your favorite movies.

Your song must have been prominently featured in a movie. Once a song from a movie has been selected by a group, that movie is shut down to any other group. You may do one song, or you may do a montage. If you do a montage, you are responsible for bringing the music with you on a flash drive to the show.

**Songs must be appropriate with no offensive or suggestive lyrics.
We reserve the right to refuse any songs.**

Judging will be based on the following criteria

1. Representation of the movie
2. Costuming
3. Use of props
4. Choreography
5. Lip Syncing (how well you know the song)

Please e-mail your song choice along with your unit number to Marieshannon71@yahoo.com no later than July 27th, 2022
